Presidents Message.

Hi To All Members,

The committee have had to make some tough decisions this year in regards to cancelling our Winter & Spring Shows due to the government restrictions. We all hope that the situation will stabilise by next year with the majority of the population standing up for their job. If this happens, we will be more positive in booking and holding our meetings and shows.

I would like to thank all the members who join our zoom meetings and look forward to seeing you all on-line for the next meeting this month & live in November at Heidelberg. See above for the link. Hope to see you all on Zoom for the October Meeting.

Facebook Orchid Photo Isolation Orchid Appreciation.

To All members putting orchid photos up, please add the name of the grower and the name of the plant. The better quality of the photo the more spectacular the plant. Some of these photos will be entered into the Bulletins. If you don't have Facebook, please send the photos to Andrew with the details and he will be happy to enter them for you.

Thanks & Stay Safe Everyone,
Andrew Fernandez.

Monthly Meetings.

The meetings between now and the end of the year will depend on the constantly changing conditions. The Committee are hoping for some relief so we can enjoy each other's company and appreciate the beautiful orchids in flower over a cuppa & a chat. Please be aware if there is a lockdown the monthly meeting will be cancelled and run via zoom.
