Presidents Message.

Welcome To All WOS Members,

It was great to see some of you again for our first meeting benching your orchids in 2022 & enjoying each other's company.

We are all looking forward to our monthly meetings, including the Winter & Spring Shows this year. It has been noticed that some members are bringing in poor quality plants which are not rooted well or in an unhealthy condition, and expecting the sales table to sell them. Please see the insert below.

 - (c.) The Society will retain a commission of 10% from the price of such items sold.
- b.
 - i. Plants must be reasonably priced. It is intended that this service should provide an opportunity for members to obtain a desirable plant at a fair price.
