Presidents update:

Dear WOS Members,

Hi to All Members we are lucky that lockdown has nearly finished. E-mail sent from the council states we are allowed to use hall with only 50 people inside.

These rules will have to be followed while in hall.

1. If you do feel unwell do not attend meeting.
2. Mask must be worn at all times inside the hall
3. Everybody will have to register QR Code before entering hall.
4. We must all social distance while in hall.
5. After the meeting all tables and chairs will have to be disinfected.
6. No food and drink available

I was happy to see that the Novice and Advance Novice brought more plants to bench. I hope this will continue. Nette Meggetto talk on Stanhopea was interesting and informative. The sale day at Bob Rennison place was a huge success, all his Stanhopea where sold the talk must have inspired people to want one. I know I left with a car full of orchids.

This month we will be having Stephen Early who will be talking about the Genus Cymbidium species. We all grow cymbidiums, but we will see some of the unusual cymbidium species available.

Hope to see you at the June Meeting.

Thanks

Andrew Fernandez
